

HEAD START OUTDOOR PLAY VALUE ADDED PACKAGE

Kids will love your Outdoor Motor Learning Lab

Fundamental Movement is a motor skills program for preschool and primary children. It is a complete curriculum from which to teach from. Fundamental Movement allows you to create an outdoor motor learning lab for preschool children. An easy, do-it-yourself layout plan transforms your play space into a colorful arrangement of learning games and motor skills activities. The Fundamental Movement Program Kit allows you to design a custom play space, with permanent, painted-on activities that help make play and motor skills time a fun learning environment.

FUNDAMENTAL MOVEMENT PROGRAM

"Fun"amental Movement Program Components:

- Blueprint
- Stencils
- Motor Skills Task Cards
- Perceptual Motor Development Guide
- Sequential Motor Skills Instructions
- Instructional Tips
- Skills Check List
- Parent Newsletters
- Certificate Master

Activity designs are painted on the blacktop to reinforce the fundamental motor skill patterns, and colorful animal cards remind kids what to do.

Fundamental Movement Program

The Fundamental Movement Program includes: 10 Perceptual Motor Development Guides, a set of teaching task cards, certificates, skills checklists, aerobic fitness circle cards, training materials, monthly parent pages and a blueprint design for early childhood through second grade. The blueprint has suggestions for painting, placement, and recommended game markings for your asphalt playground layout.

"Fun"amental Movement is easy to implement for classroom teacher with minimal PE training. Having the curriculum equipment, and games painted on the playground for skills practice, makes it easy for the classroom teacher to organize."

- Saugus Schools

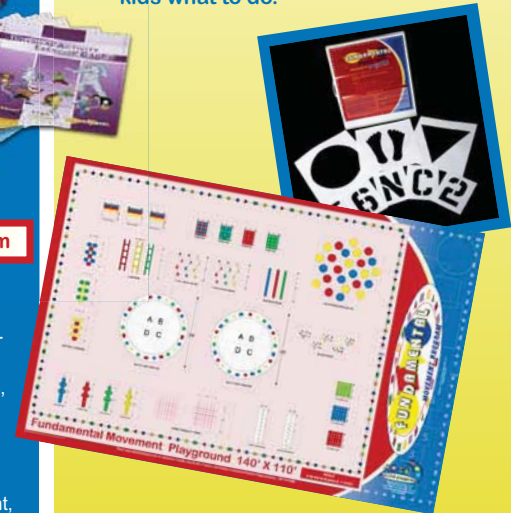

Fundamental Task Cards

This set of 12 animal activity cards are designed for an aerobic fitness circle which motivates kids to get moving.

The fitness circle activities include: hopping, skipping, toe touches, etc. around hula hoops laid out on the ground. Music contributes to a fast paced fitness circuit kids love. Individual classroom or school sets are available.

Physical Activity Exercise Cards
