

KEY CONSIDERATIONS FOR PEP GRANT

Clear vision of how to integrate P.E., playground, health and nutrition training, and implementation

District/Site level support

Site representatives

P.E. Specialists (include if you have them)

Wellness committee (SHI survey)

Structures in place for communication and implementation

Data collection plan/procedures

External evaluator

Good staff development plan, facilities, training for all involved

Matching funds/in-kind contributions

Someone to manage grant application, then, if awarded, implementation, coordinate training, manage budget, order and organize materials

Meet Deadlines
