

## Steps to Paint Hopscotch Court using Peaceful Playgrounds Roll-Out Stencils

1

Roll out stencil for hopscotch and chalk in the dots to form court outline template.

2

Lift stencil and fill in the dots of the outline of the court.

2a

3

Begin painting inside the chalked hopscotch court.

# Hopscotch

4

Paint each hopscotch background and then come back to straighten lines before detail work.

5

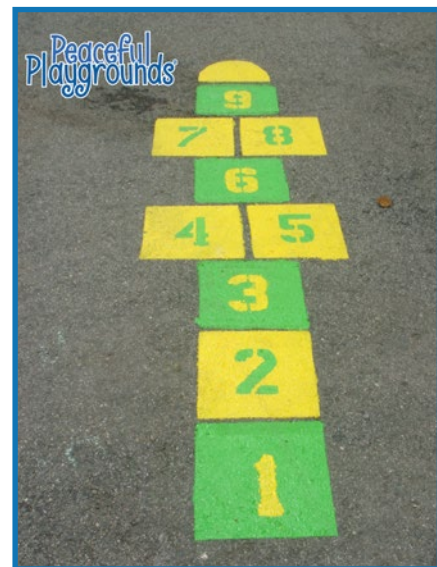

Locate the number stencil. Use stencil to fill in numbers on court.

6

Connect the dots to form each number.

7

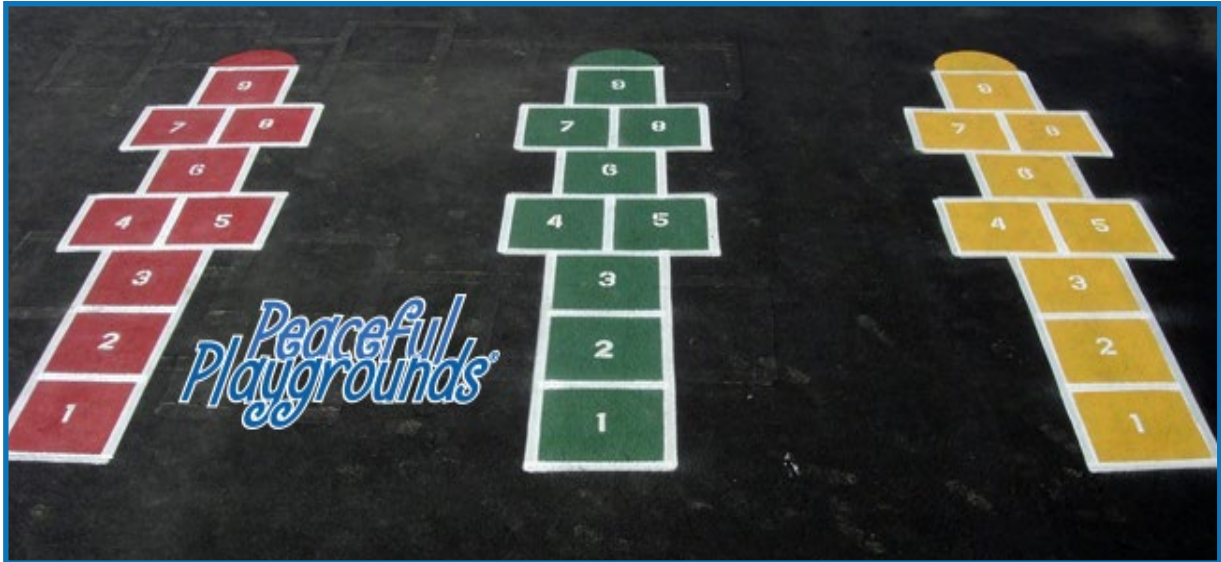

Paint all the numbers with white, or which ever color you decide

# Hopscotch

8

Voila. A perfectly painted hopscotch court.
