# Peaceful Playgrounds

## Most Popular Stencil

### U.S. Map Stencil

The U.S.A. Playground Map Stencil is popular among schools and for playgrounds. This geographically and proportionately accurate U.S.A. Playground Map Stencil is easy to apply and can be painted by 2 adults in five hours. Encourages Educational Classroom Projects in History, Economics, and Geography.

### World Map Stencil

World Map Stencil with complete instructions & paint specifications. The eight-section stencil has holes which define detailed borders of the continents, countries, oceans and largest lakes of the world. Covers an area 20' x 36'. (Note: Given country boundaries can change the accuracy of the map varies).
