

PLAYGROUND SUPERVISION TRAINING

200,000 children per year are injured on public playgrounds

Schools have legal responsibility to keep kids safe.

Well trained supervisors can reduce the number of playground injuries.

Testimonial

"My Para professionals just completed the training provided by Peaceful Playgrounds. We found the information comprehensive and helpful. The training helped to allow all the Para professionals to fully understand the way to supervise the playground and bring continuity to all three recess periods."

Cherie McComb, Principal
