stencils
2. Online Support and
Layout Suggestions.
3. Site License
4. Paint and Paint

Peaceful Playgrounds Walking and Jogging Track is great for getting kids moving and perfect for those days when it is too wet to run out on the field. The track was designed for elementary schools who rarely have the benefit of designated running space. Some schools have put the track on the perimeter of the blacktop playground and others have added it in a large square on one portion of the playground.
